Remarks

Effortlessly close to everything yet a world apart, The Lookout on Siesta Key embodies the essence of the Vunique Homes experience-architectural artistry, intentional design, and a lifestyle defined by affluence and ease. Soundly constructed by Eason Builders Group in 2025, this marvel is an innovative fusion of durable details, resilient materials, and groundbreaking engineering to achieve luxury and longevity. Steps from Siesta Key Beach and the vibrant Siesta Village, this residence is ideally positioned for those who value connection as much as privacy. From fine dining and boutique shopping to the energy of downtown Sarasota and the tranquility of the Gulf, every facet of coastal living is within reach. Curated for those who entertain and impress, the home's outdoor environment rivals the world's best resorts. The ground floor offers recreation and relaxation with the heated saltwater pool and spa, bar, dining & seating areas, putting green, and waterslide add texture and rhythm to the experience. The first and second levels, elevated over the private, 6 car parking area, boast over 4,500 square feet of refined modern living. A chef's kitchen anchors the great room. framed by soaring ceilings and expansive glass that erase the boundaries between indoors and out. The media room.
